To,
The Principal,

Subject – Requesting you permission to conduct a presentation and orientation for students on the residential employability skills programs conducted by Deshpande Skilling, Hubballi.

Respected

Greetings from Deshpande Skilling!

Deshpande Skilling is a pioneering residential skill development organization that was started by the Deshpande Foundation in 2010. We are a 'not for profit' organization, and our skilling Centre in Hubballi is India's largest. Our strong connection with employers in the region and beyond and our trainers with industry experience have been our strengths. Our skill development programs are driven by requirements of employers and thus are highly valued by employers. More that + students have graduated and are placed in different industries and that we have consistently placed % + of the students who have graduated from our programs is a testimony to this.

Our strong focus on English communication skills, ICT skills and hands-on training has helped our students overcome the disadvantage of poor confidence. The environment of discipline and serious learning created at our campus has transformed students. After the few months at our Centre, students have been able to present themselves to employers more confidently, thus significantly improving their chances of a gainful employment.

Today, Deshpande Skilling has grown to become recognized as India's leading skill development organization which not only teaches youth necessary skills for employment but also makes them learners for life. Our alumni have soared to great heights as entrepreneurs and employees, bringing glory to their employers and more importantly, to their families and communities who had given up hope.

We are confident that the students of your college will hugely benefit from our constantly evolving training programs. We are keen to select interested students from your college and look forward to your permission to conduct an orientation as well as interviews on your college campus. We look forward to your approval in the best interest of your students.

Truly Yours',

A. Archana

The Principal

STC college
Banhatti.

Respected Sir,

Subject- Seeking permission for Program Orientation to your college students.

Greetings from Deshpande Susandhi Fellowship Program

Deshpande Educational Trust is a registered institution established to educate unemployed youths thorough various skill development programs.

A challenge that most organizations (employers) face, especially those in development, is finding competent staff with the ability to communicate effectively. The Deshpande Susandhi Fellowship Program trains youths from rural backgrounds and equips them with these valuable skills. Students learn to communicate, take on leadership roles, be a part of management processes and understand core concepts needed to run enterprises and build a lasting trust with clients. Till date we have trained and placed more than 650 rural youths.

With this letter we kindly seek your permission to orient your students on this program to help them to build employability skills. Kindly provide us an hour time for presentation.
